## PUBLIC NOTICE

Following customer feedback on the notice prohibiting entry of beverages and foodstuff into the SGR termini and stations, Kenya Railways wishes to reassure our customers that we have instituted negotiations with our service providers to offer improved services in the trains and stations.

In lieu of this, KR wishes to inform our esteemed customers that a decision has been taken to suspend the directive until further notice to allow for conclusion of the negotiations.

Please note that the decision only applies to entry of foodstuff. Alcoholic drinks are still strictly prohibited into the Termini and stations.

Thank you for choosing to travel Madaraka Express. We appreciate your invaluable feedback.
